

WHO TO CONTACT ABOUT POTHOLES

With the exception of Wixom Road, Pontiac Trail and a few private roads within the City limits, the Department of Public Works (DPW) takes great pride in maintaining the City's assets ... our roads. Motorists are asked to contact the DPW (248) 624-0141 to report potholes and/or other road concerns. If the pothole or concern is located on Wixom Road and/or Pontiac Trail, you should contact the Road Commission for Oakland County (RCOC), Department of Citizen Services, at 877-858-4804 or let us know and we will make the report for you. For non-emergencies, via e-mail contact the RCOC through their web site, www.rcocweb.org (click on "contact us").
