COUNTY

A PROPOSED MODIFICATION TO THE OAKLAND COUNTY MERIT SYSTEM COVERING THE EMPLOYEES OF THE COUNTY OF OAKLAND THAT UPDATES THE SYSTEM FROM ITS ORIGINAL 1966 VERSION AS EXPLAINED BY COUNTY RESOLUTION #08119.

The proposed modification would:

Implement gender-neutral language.

Update terms used to reflect the current composition of the County committees and Government.

Clarify language to reflect the practice approved by the County to allow for top five scores on all examinations, including ties or when scores are banded or grouped, when considering selection for promotion into a vacancy.

Remove language that lists Oakland County residency as a requirement for workers and candidates to reflect current practice.

Update language to allow for communications through means other than U. S. Mail (e.g. allow electronic communications).

Add a sixth member to the current Personnel Appeal Board and allow hearings to be conducted with 3 members present (1 Board of Commissioner member, 1 employee-elected member, and 1 Member at Large) so two hearings can take place simultaneously. This would allow for quicker resolution of appeals and reduce case backlog.

Establish grounds and a procedure for recusal/disqualification of appeal board members on particular hearings and establish a process for replacing the disqualified member.

Should this proposal be approved?

- NO
